This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. PREFACE

THIS present issue of the "Uppingham School Roll" includes the whole of the 1894 edition, with a complete revision from the year 1853, the Supplement of 1894–1898, also revised, and new matter to the end of 1905.

The great bulk of the work has been done by Mrs. Mullins, and, while the nominal editor writes to express his own personal indebtedness, he feels that he is also expressing the general sentiment of all "Old Boys" in thanking Mrs. Mullins for her most devoted labours and untiring energy on behalf of the "Roll."

The Editor also has to express his thanks to many "Old Boys," too numerous to mention individually, for their kindly interest and help, and especially to Mr. Edward Stanford for his valuable counsel and support, as also to Mr. L. H. Gwyther, whose patient labour has been of great assistance.

Lastly, he would ask indulgence for the omissions and inaccuracies, which, owing to the difficulty of the task,

must inevitably be somewhat numerous. "Old Boys" would be doing a great service if they would kindly send corrections or information to J. P. Graham, Uppingham, so that succeeding editions may be more accurate and complete.

UPPINGHAM, *July* 1906.

EXPLANATION OF THE ROLL, ABBREVIATIONS, ETC.

ALL Names are given according to the date of coming to the School, each Term's Entry being in alphabetical order.

UPPINGHAM SCHOOL MISSION.

THE UPPINGHAM SCHOOL MISSION was started in 1869, and was the first Public School Mission. It arose from a suggestion made by the Rev. J. FOY, in a lecture given in the schoolroom in April 1869, that the School should "found and maintain a separate centre for home missionary work."

Mr. THRING supported the idea, and St. Mark's Parish, Victoria Docks, North Woolwich, was chosen as the mission parish. The Rev. H. BOYD (now Principal of Hertford College, Oxford) was Incumbent, and the Rev. J. W. ALINGTON (O.U.) went to him as Curate. The impetus given to the work resulted in the building of a new church—St. John's, consecrated Sept. 27, 1872 (*Uppingham School Magazine*, 1872, p. 268), on which occasion Mr. BOYD started the idea of a second church, and St. Luke's was consecrated, April 19, 1875 (*Uppingham School Magazine*, 1875, p. 116). By this time Rev. W. F. WITTS had become Vicar of St. John's, where J. W. ALINGTON was still Curate. He resigned in 1878, and in 1883 the School transferred its mission to the parish of St. Saviour's, Poplar, where the Rev. V. E. SKRINE was Incumbent. In 1898 the sphere of activity was again changed, this time to the River Mersey, and the School now provides £150 a year as stipend for an "Uppingham Missioner," working in the Mersey Missions to Seamen at Liverpool, of which Canon Lambert is the head.

The present "Uppingham Missioner" is the Rev. D W. HOBSON, who is most thankful for any help, personal or by gift, from any Old Boys or their friends.

UPPINGHAM SCHOOL SOCIETY.

THE UPPINGHAM SCHOOL SOCIETY was founded in 1879, by the late Rev. EDWARD THRING. The object for which it exists is—as expressed in Rule 11—"to help old Uppingham boys or masters in any good public work which they may have on hand."

Thus it really serves a double purpose, since by being a means whereby old Uppingham men may help each other in life, it becomes at the same time a bond of union between them. An annual subscription of not less than five shillings constitutes membership. Any one may become a life member by a payment at any one time of a sum of not less than three pounds. Any one who has been at school at Uppingham, or is otherwise connected with the School, or interested in it, may become a member of the Society. Grants are made annually. Applications for help must be made to the Secretary before the end of November in each year. The Committee welcome the request of laymen for help in their work; they are particularly anxious to let it be known that it is not clergymen alone who receive grants.
